

#12. Foundation repairs were done in August of 2008. There has been no foundation damage since, that we are aware of. (See ProJack Foundation wk sheet.) There is also a lifetime transferable warranty.

#15. The roof was replaced 7/28/2010. Three layers were removed when new roof was put on.

#20. My parents always used Terminix to do termite inspections. We continued to do that every year after we took possession of the house. The last inspection was 2019. There were no signs of termites, etc. We paid \$330

#39. The fences on the north and south side of the house are shared. 5/21/19
