Re: Flood Insurance Rate Map Information

To: Henry Theilen
4613 Chisholm Creek
Enid, OK 73701

The property located at **4613 Chisholm Creek**, also known as **Lot 2, Block 5, Chisholm Creek Village; NW/4 29-23-6**, has been located on the City's Flood Insurance Rate Map (FIRM). The following information is provided:

Enid's community number: **400062**.

The property is located on panel number: **0205, Suffix E**.

Date of the FIRM Index: **June 19, 2012**.

The property is located in FIRM zone: **X & AE**

The **main building** on the property:

 is located in a Special Flood Hazard Area. The base flood elevation at the property is (NAVD 88). Federal law requires that a flood insurance policy be obtained as a condition of federally backed mortgage or loan that is secured by the building. It is up to the lender to determine whether flood insurance is required for a property. Flood insurance is available in Enid.

 X is not located in a Special Flood Hazard Area. However, the property may still be subject to local drainage problems or other unmapped flood hazard. Flood insurance is available and may be obtained at non-floodplain rates. A flood insurance policy may be required by a lender.

 A determination of the building's exact location cannot be made on the FIRM. A copy of the FIRM is attached for your information.

NOTE: This information is based on the Flood Insurance Rate Map for the City. This letter does not imply that the referenced property will or will not be free from flood damage. A property not in a Special Flood Hazard Area may be damaged by a flood greater than that predicted on the FIRM or from a local drainage problem not shown on the map. This letter does not create liability on the part of the City, or any officer or employee thereof, for any damages that result from reliance on this information.
