Ladies and Gentlemen:

Crawley Petroleum Corporation (Crawley) is the operator of the referenced well. Targa Resources (Targa) as the gas purchaser, has been disbursing gas proceeds for Crawley for this well. Effective 04/01/2023 production, Crawley will start making its own disbursement of proceeds for this well. In that regard, enclosed please find our Division Order, in duplicate, reflecting your interest in this well. Please review, sign per the enclosed instruction sheet, and return the appropriate copy to the undersigned. Please be certain to include your Tax Identification number where indicated. Failure to provide your tax identification number may result in tax withholding in accordance with federal law. *Any funds that may have been held in suspense for any reason prior to 04/01/2023 production you will need to contact Targa for directly.*

Crawley offers the option of Direct Deposit for your remittances, should you choose to utilize it. If so, please complete the enclosed form and return the bottom portion, along with a voided check, with your signed Division Order. Please retain the top portion which describes how you may obtain the remittance details online. Please note that once your initial payment of suspended funds is released, regular payments are made monthly around the 15th of the month if the amount is \$25 or more. Lesser amounts are accumulated until \$25 or remitted annually in December, if greater than \$10 at distribution.

If you have any questions, please do not hesitate to contact me.

Sincerely,

Janie McNabb
