Last month due 08/2024. WJS*

Thank you for choosing Orkin to help protect your home from termites. Renewing your termite protection plan each year is a responsible way to keep winning the fight against termites. The benefits of your Continuous Protection Plan include:

- **Monitoring:** Orkin will monitor your bait stations for signs of termite activity and provide the appropriate treatment should we find signs of active termites.
- **Inspections:** Orkin inspects your home regularly for signs of termite activity to help maintain the effectiveness of your treatment plan.
- **Retreatments:** If termites return after treatment, we'll retreat your home at no additional charge. This saves you money by avoiding the cost of a full treatment should termites return after your coverage has lapsed.

We appreciate your business and want to continue serving you as a customer. We're sure you don't want to take a risk on your greatest investment - your home, so don't take a chance. You can maintain your renewal protection today by visiting your account online at www.Orkin.com/MyAccount, using the enclosed envelope, or calling 1-800-445-0745.

Interested in a budget-friendly way to keep your protections? Pay as You Go is a budget-friendly payment option that will allow you to maintain critical termite protection by paying for an annual renewal on a monthly basis. Enrollment will provide a five-year price-lock. With price-lock, your monthly rate for termite protection will not increase as long as you remain enrolled in Pay as You Go and your warranty is active. Thank you.

Customer Satisfaction is our Goal

If you have a concern, please call your local branch at (580) 762-6614

YES, CHANGE NOTED CREDIT CARD PAYMENT - USE BACK OF INVOICE
